General Information and Guidelines

Age:

- To be enrolled in our 3 year old program your child must be 3 years old by September 30th of the current school year
- To be enrolled in our Pre-Kindergarten program your child must be 4 years old by September 30th of the current school year

Days:

- The 3 year old Preschool Program is in session 3 days (Monday, Wednesday and Friday) or 5 days (Monday through Friday)
- Programs available to 4 and 5 year olds are in session 5 days (Monday through Friday) and include Preschool, Pre-K 4, and Developmental Kindergarten.

Hours: Preschool program hours are from 8:45 a.m. until 11:45 a.m. (additional hours can be added – see below). If a child is continually picked up late from school, a late fee will be charged.

Registration and Enrollment

For current families, the registration fee is \$300 if registration is completed and paid by December 31, 2022. After December 31st, the registration fee is \$325. **For new families**, the registration fee is \$325. If 2 children from the family are registered for the same school year, a \$25 total discount is given per family. Registration will be available online starting December 1st for current families. Our current families have until January 10th to submit their applications to be guaranteed a spot. We will begin contacting new families who have submitted applications in order of how they were received on January 12th, so the sooner you apply, the better!

Tuition:

- 3 day, 3 yr. old program - \$2,160.00/year or \$240.00/month
- 5 day, 3-yr. old program - \$2,700.00/year or \$300.00/month
- 4 year old and Pre-Kindergarten program - \$2,700.00/year or \$300.00/month

If two children from the same family are enrolled in the same school year, a \$10/month discount is given.

There will be no refunds or deductions for illness, absence or school holidays, scheduled or unscheduled. Our budget is planned to include these days and is based on the entire year.

CURRICULUM:

Our curriculum includes music and rhymes, organized games, dances, exercises, learning good health habits, developing color concepts, enjoying books and stories, expression through creative art, dramatization, carrying out simple science experiments, counting and number recognition, recognition of letters in the alphabet, sizes, shapes, quantity concepts, and calendar sequence. The experiences in preschool will help your child develop skills not only in the academic areas, but in observing, following directions, listening, obeying cheerfully, working together, taking turns, problem solving, being considerate, sharing ideas and experiences, self-care and care of belongings, developing coordination, expressiveness, and finishing a job.

If your child is registered with us, you will receive an email in August informing you of the date for our Parent/Teacher Meeting and Orientation.

For more information, contact the preschool office on weekdays between 9:30 a.m. and noon.
